Address : Street no 4 , H 908 , Gulzar Chok Hasilpur Dist. Bahawalpur PAKISTAN
AGE: 31 year
JOB: Freelancer Web developer Codeigniter / Laravel (Home Based).

Summary

Experienced PHP Web Developer with expertise in **CodeIgniter** and **Laravel**, and a strong track record of developing a wide range of custom applications. Proven experience in building **account management systems**, **real estate accounting solutions**, and **toll plaza software**. Successfully developed **Point of Sale (POS) systems**, and specialized applications for **agricultural markets** including **Ghalla Mandi** and **Sabzi Mandi**. Integrated **WhatsApp/SMS communication tools** and **delivery management systems** to enhance business operations. Passionate about building **scalable**, **efficient**, and **user-friendly** software solutions tailored to local business needs.

Skills:

Technical Skills

- **Backend Development:** Expertise in PHP, Core PHP, CodeIgniter, Laravel, and PHP for creating scalable and maintainable server-side applications.
- **Frontend Development:** Proficient in HTML, HTML5, CSS, CSS3, JavaScript, jQuery, and Bootstrap for building interactive, responsive, and user-friendly web interfaces.
- **Database Management:** Skilled in MySQL and SQL for designing, querying, and managing databases effectively.
- **RESTful APIs:** Experienced in designing and consuming REST APIs for seamless integration between systems.
- **Frameworks & Tools:** Proficient in XAMPP, AJAX, Vue.js, and other development tools for efficient application deployment.
- **Admin Panel Development:** Expertise in building intuitive and functional admin dashboards for system management.

Application Development

- Development of diverse applications including:
 - Account Management Systems
 - Real Estate Applications
 - Toll Plaza Solutions
 - Classifieds Platforms
 - E-commerce Websites
 - Multi-level Marketing (MLM) and Affiliate Management Systems
 - Financial Reporting Systems

Financial Reporting & Analysis

- Proficient in generating detailed financial reports, including:
 - General Ledger, Profit & Loss Statements, and Cash Flow Statements
 - Aging Reports, Summary Reports, and Trial Balance
 - Sales & Purchase Reports, Invoices, and Payment Receipts
 - CPV (Cash Payment Vouchers), CRV (Cash Receipt Vouchers), and JV (Journal Vouchers)
 - Balance Sheets and Financial Summaries

Project Management & Requirements Analysis

- Skilled in gathering and analyzing system requirements to ensure alignment with project goals.
- Efficient in managing project timelines, collaborating with cross-functional teams, and ensuring timely delivery.
- Capable of documenting data architecture and system requirements for complex projects.

Analytical & Problem-Solving Skills

- Strong ability to identify, troubleshoot, and resolve software issues efficiently.
- Expertise in optimizing application performance for better user experience.
- Skilled in data collection and analysis for informed decision-making.

Additional Skills

- **Point of Sale (POS) Systems:** Development and management of POS solutions for retail businesses.
- **Accounting & Bookkeeping:** Knowledgeable in bookkeeping practices and financial management.
- **Public Speaking:** Proficient in presenting technical concepts to non-technical stakeholders.
- **Data Analysis:** Skilled in analyzing large datasets to derive actionable insights.

Experience

1. PHP Developer

AAweb Solutions | Jan2024 – present | Full-time, On-site (Pakistan)

Designed, developed, and maintained scalable backend solutions using PHP, Laravel, and CodeIgniter.

- Optimized MySQL databases for performance, reliability, and efficient data handling in printing-related applications.
- Collaborated with UK-based teams to ensure timely delivery of high-quality, business-critical software.
- Improved system performance and user experience using AJAX, and other advanced development tools.

2. PHP Developer

eWebCraft | Aug 2022 – Jan 2024 | Full-time, On-site (Pakistan)

- Developed and maintained robust backend solutions using PHP, Laravel, and CodeIgniter.
- Managed and optimized MySQL databases to ensure high performance and reliability.
- Collaborated with cross-functional teams to deliver high-quality software products.
- Enhanced systems using AJAX, Doctrine (PHP), and other advanced tools.
- Demonstrated strong problem-solving skills and effective teamwork for successful project delivery.

3. Self-Employed | Freelancer | Application Developer

Aug 2018 – Apr 2022 | Pakistan

- Designed and developed applications tailored for local businesses, including bilingual (Urdu and English) solutions.
- Delivered diverse software products, reducing manual processes and improving business operations.
- Projects included:
 - Town Ledger Book: Developed Urdu and English versions of ledger management systems for town operations.
 - Toll Plaza Account Management System: Automated toll revenue tracking and reporting.
 - Point of Sale (POS) System: Simplified sales and inventory management for small businesses.
 - Factory Account & Process Management System: Streamlined factory processes and financial tracking.
 - Ghalla Mandi Account Management System: Customized account solutions for market-specific needs.

4. Internship (PHP Developer)

ZPZen Technology | Feb 2018 – Aug 2018 | 6 Months

- Learned and applied PHP development, working on projects using Laravel and CodeIgniter.
- Gained hands-on experience in web development and debugging.

5. Exam Cell Head & Lecturer

Superior College | Sep 2021 – Apr 2022 | Pakistan

- Managed the examination cell, ensuring error-free and timely examination processes.
- Conducted lectures on technical and non-technical subjects, mentoring and guiding students.
- Implemented digital systems to improve examination management.

Education

- **Master's Degree in Computer Science**
COMSATS University, Vehari
Advanced studies in software development and database management.
- **Bachelor's Degree in Computer Science & General Math**
Islamia University, Bahawalpur
Focused on programming, data structures, and mathematical concepts.
- **Diploma of Associate Engineering in Electrical**
Quaid-e-Azam College of Technology, Hasilpur
Specialized in electrical systems and instrumentation.
- **Matriculation in Science (Biology)**
GOVT. High School No.1, Hasilpur
Completed foundational education in biological sciences.
